EIS002212

MR. PEGAS: Good morning. Sorry. My name is Jim Pegas and I'm with the City of Las Vegas.

I would just like to point out the fact that the City of Las Vegas is, in fact, represented here today.

MR. BROWN: Good.

1 MR. PEGAS: And I do not have any prepared comments from the mayor, but the mayor is opposed to the Yucca Mountain Project and all the issues associated.
